

Putting the "FUN" in Fundraising

To many, the month of September signifies the beginning of a new school year.

However, September is

Childhood Cancer Awareness
Month.

We propose that your school help raise childhood cancer awareness by planning a fundraiser to help out families in Northern Ontario who are dealing with childhood cancer.

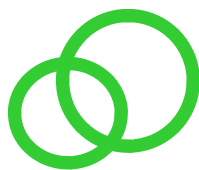

We look forward to hearing about your terrific fundraising ideas for this upcoming school year.

NOFCC

NOFCC is not funded by the government and the organization relies solely on fundraising activities and donations. All money raised helps Northern Ontario families dealing with childhood cancer with immediate financial needs incurred by the illness.

Every little bit helps tremendously...
